ACCELERATION has become a way of life. The '70-'71 school year was certainly no exception. School started earlier than usual due to a state law giving five additional days of instruction to each student. The school day itself started earlier. This year the first class started at 8:10 a.m. instead of 9:00 a.m. as last year.

A new vocational building was started to accelerate vocational plans of some of our students. Also a new track was planned and started.

Belton High School has accelerated its programs in order to keep pace with our accelerated world.

B.H.S. students accelerate in their studies. Their skills and attitudes gained in high school will help to accelerate them in their work after high school. Vocational courses have accelerated to a new vocational building for the training of those who do not plan to attend college. Other pupils will concentrate harder on different courses so as to accelerate to their goals.

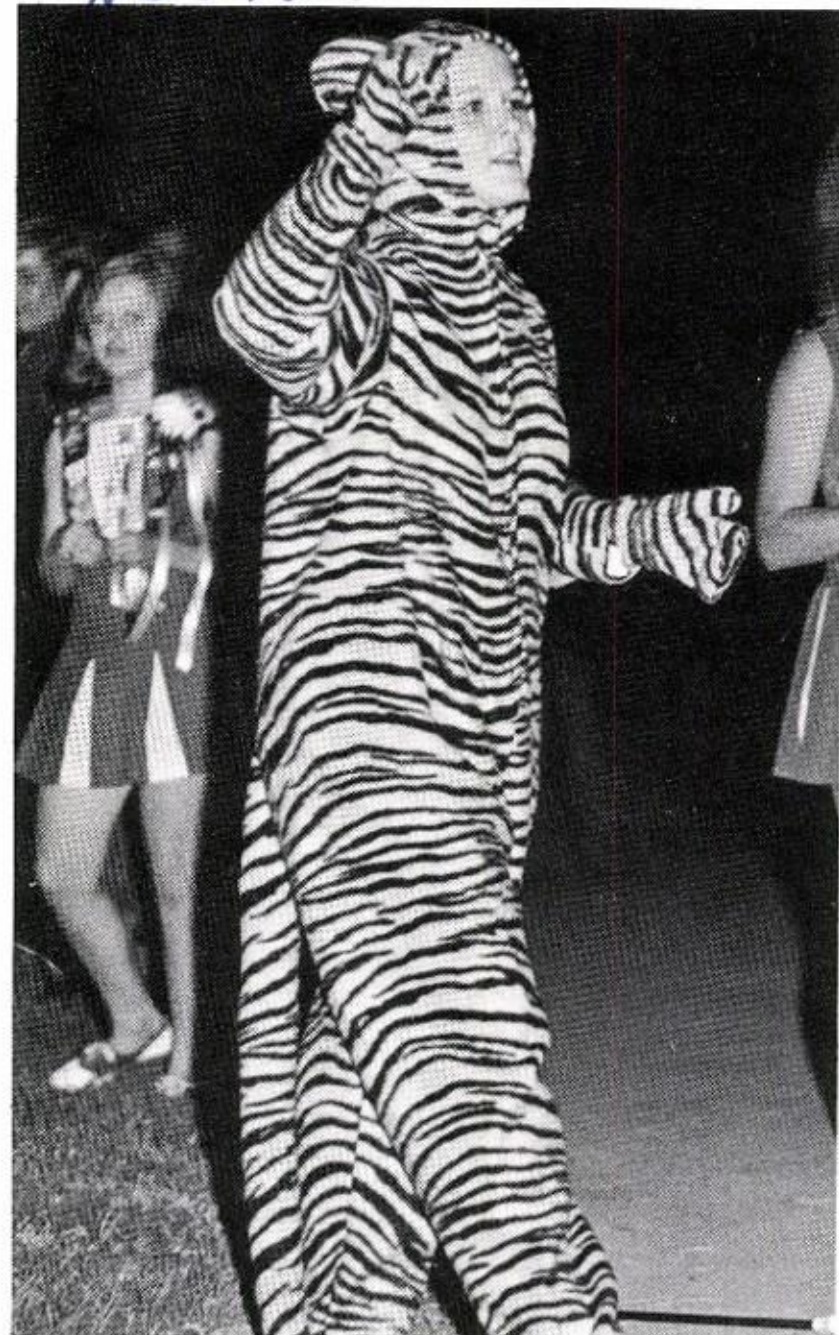

GOING BAND

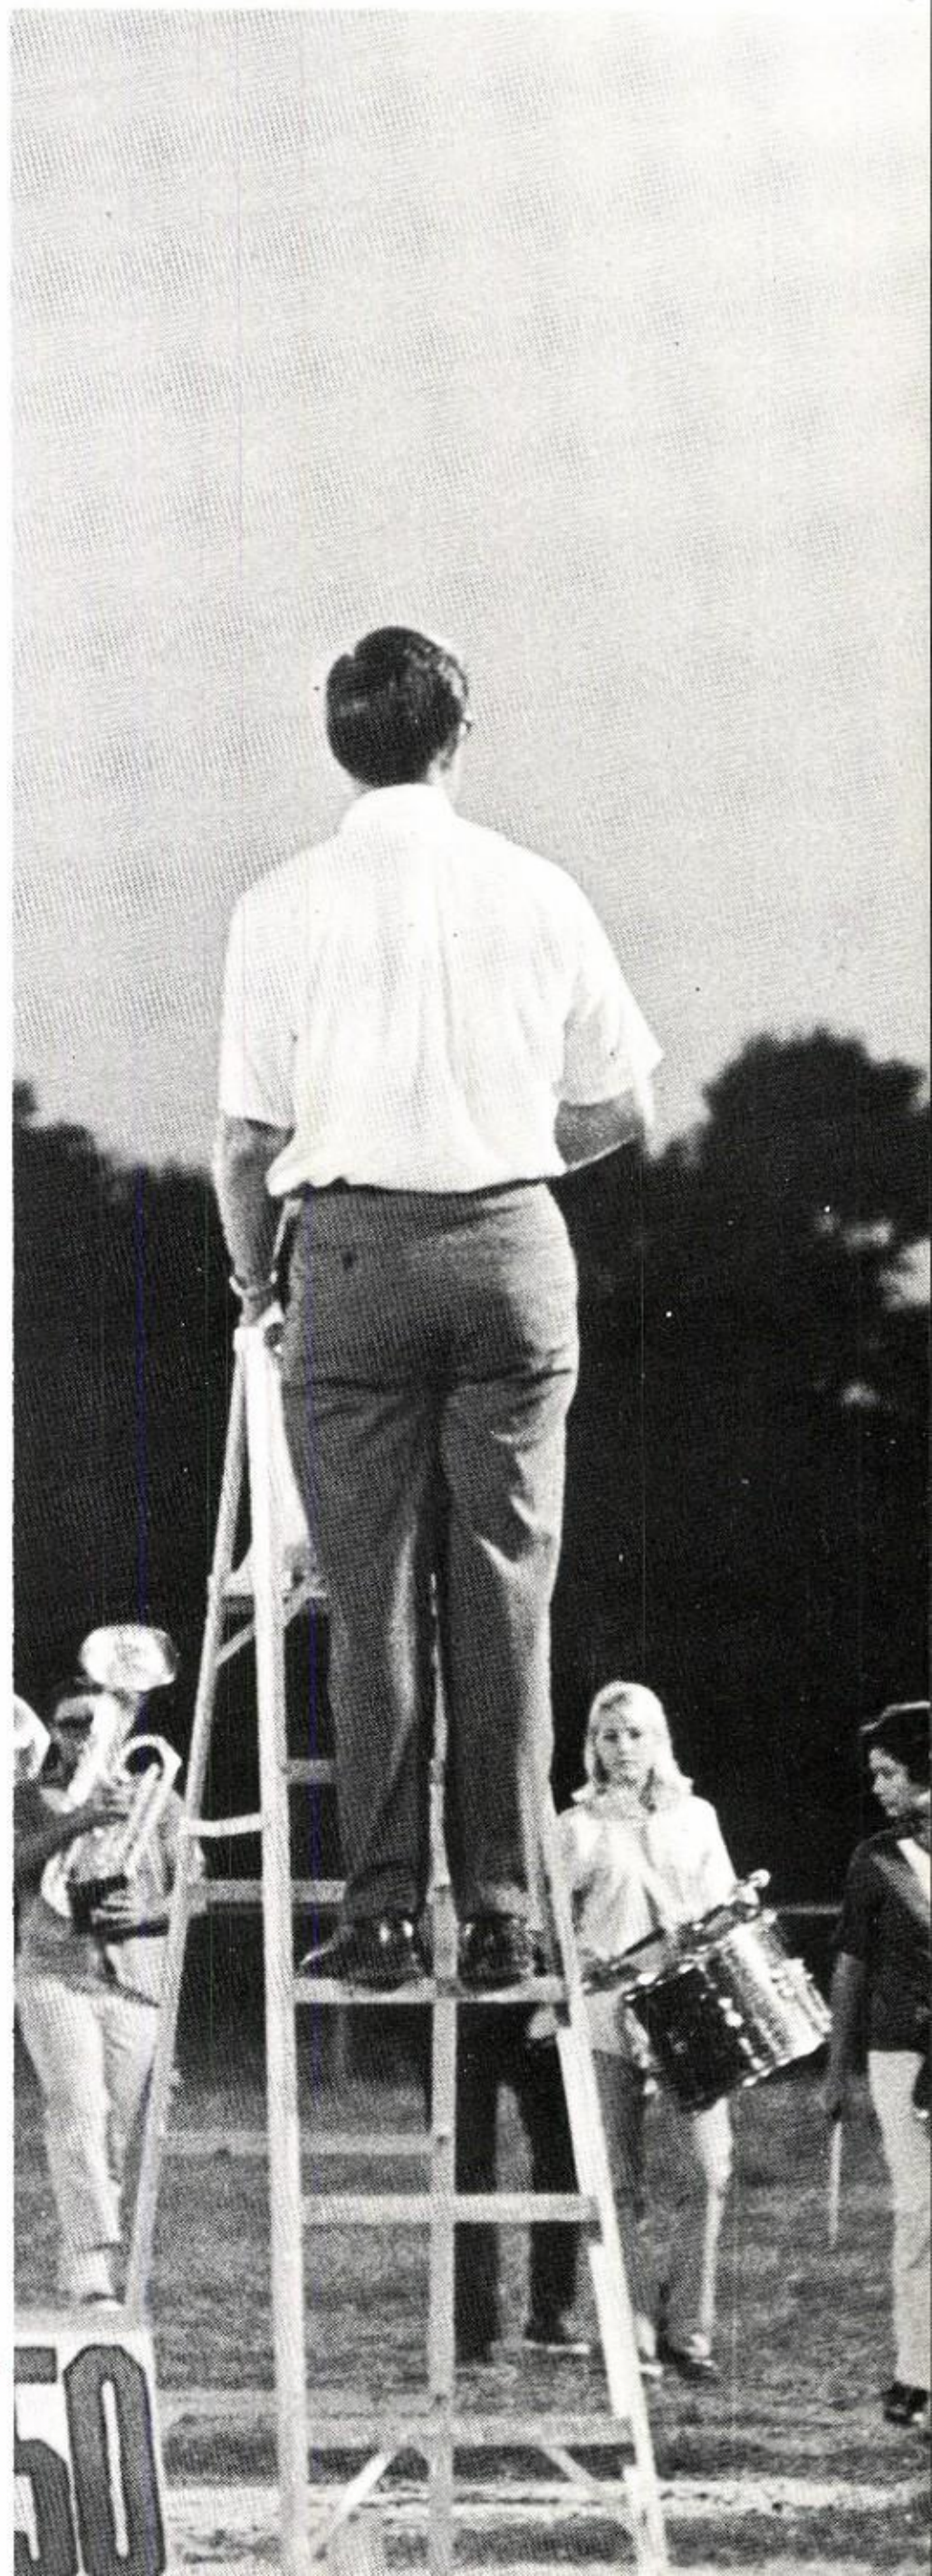

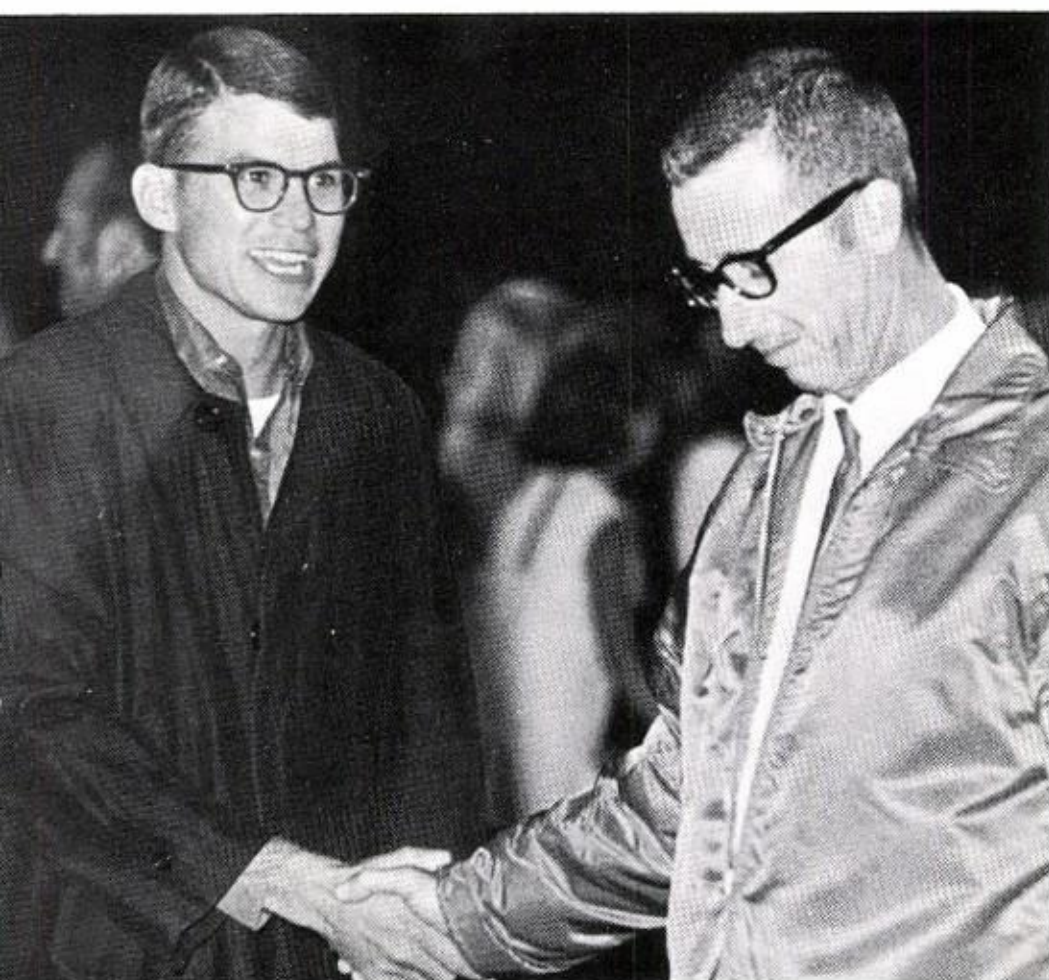

FROM TIGERLAND

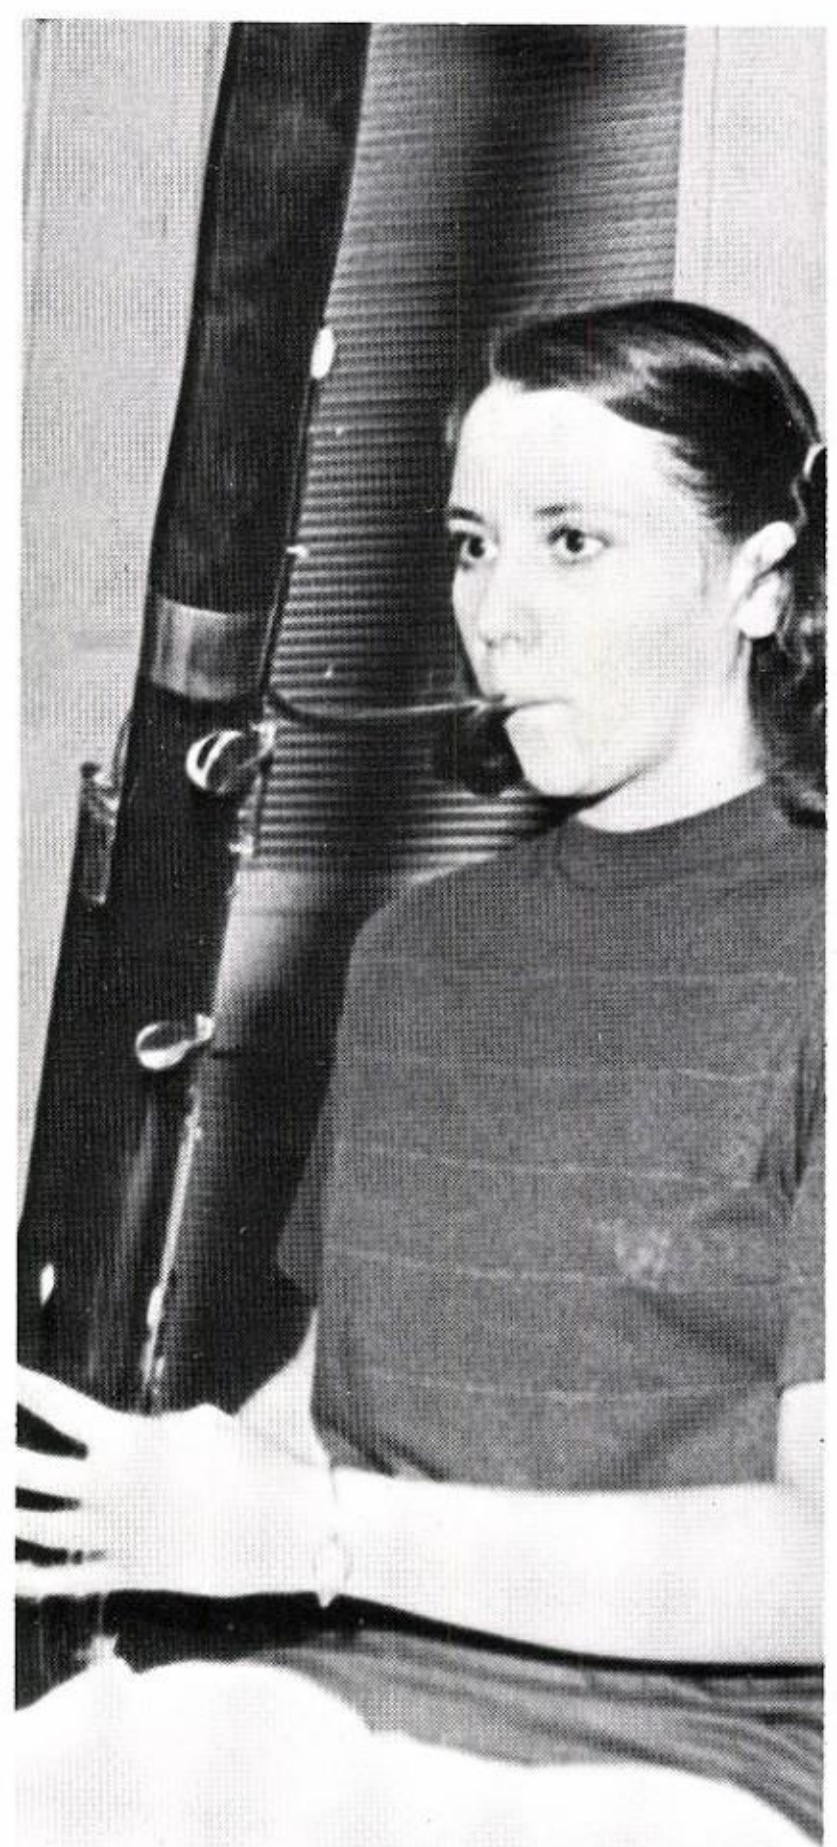

Brinda

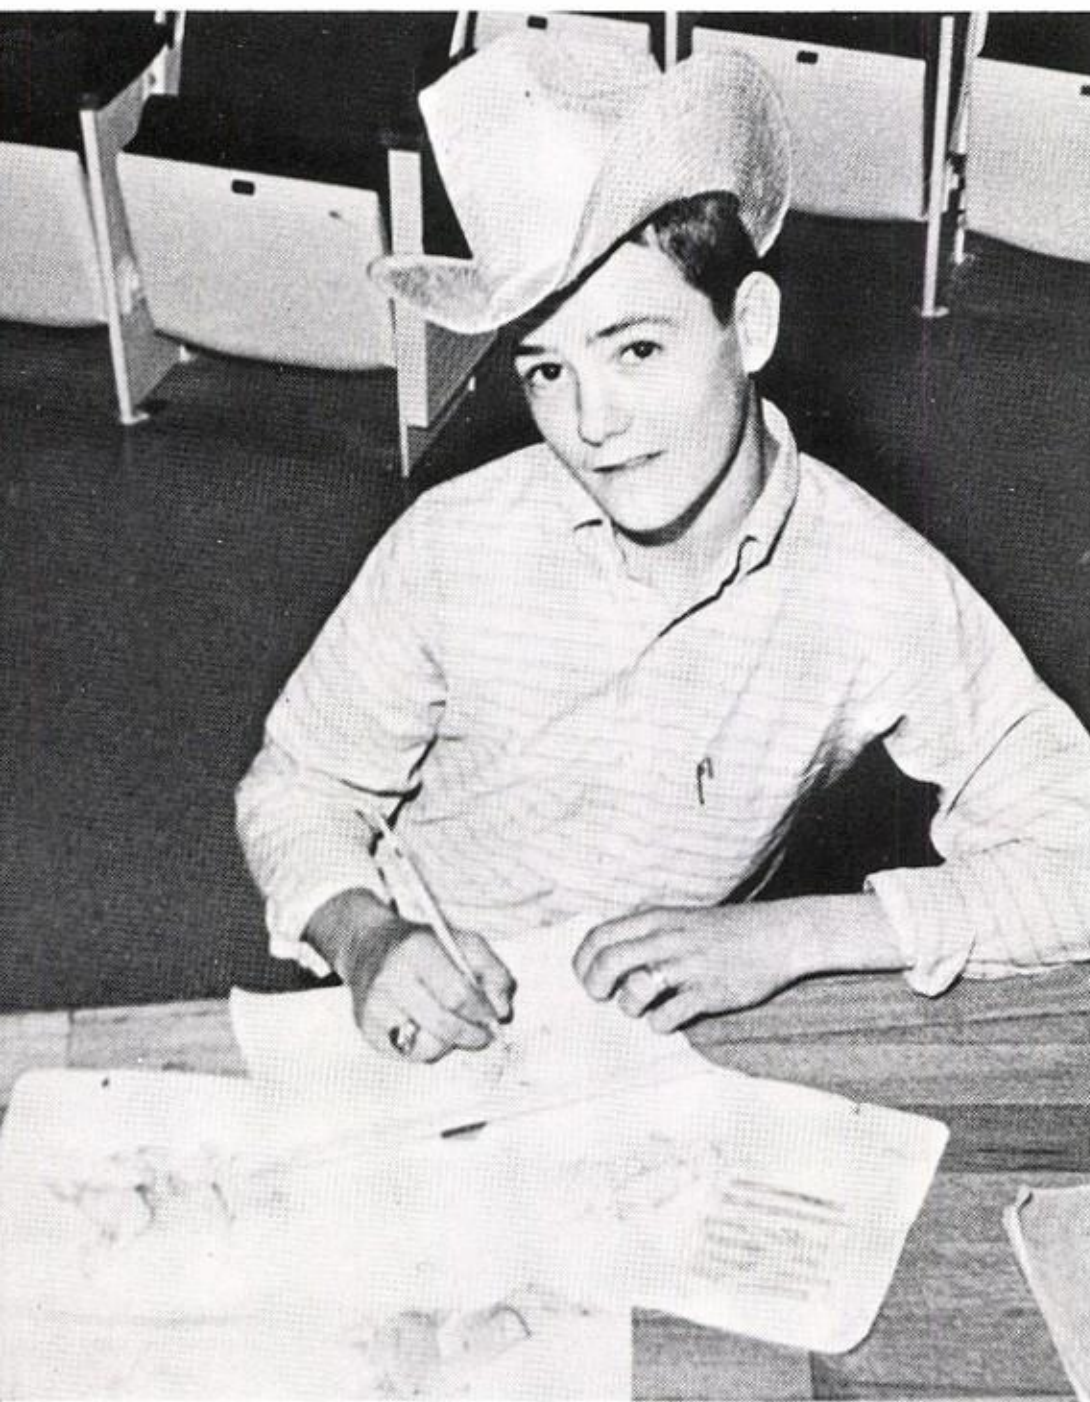

B.H.S. is accelerated by the many talents of its students. Patricia Welch is an accomplished pianist. She has been playing for many years. Becky Miksch has won several awards with her bassoon. Freddy Lewelling is showing one of his rougher talents in bull riding. He has been a rodeo enthusiast for quite a while.

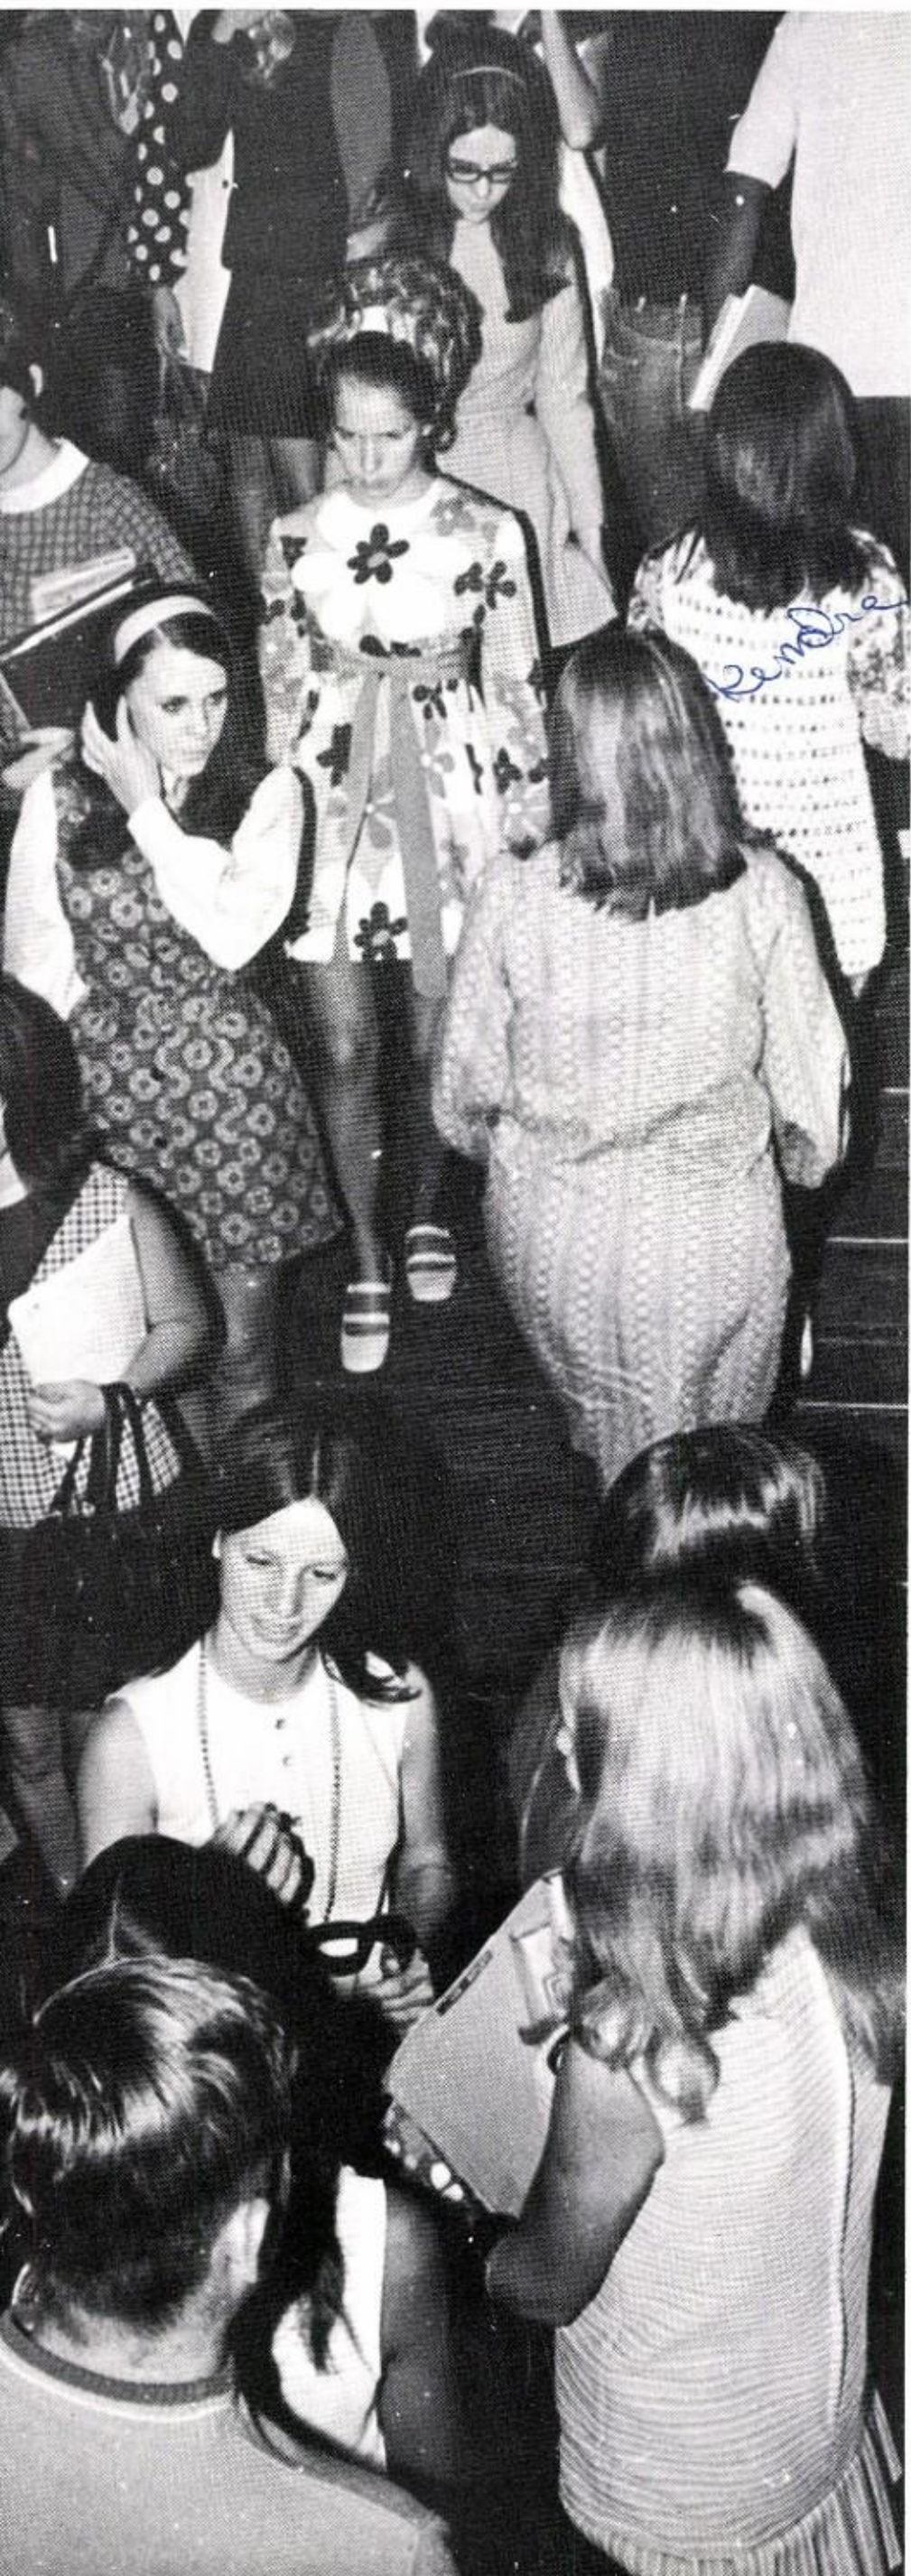

Steve Norman has shown himself to be quite an artist. He does extremely well in this field. Several of our band students have shown their musical talent so well that they help teach elementary band students.

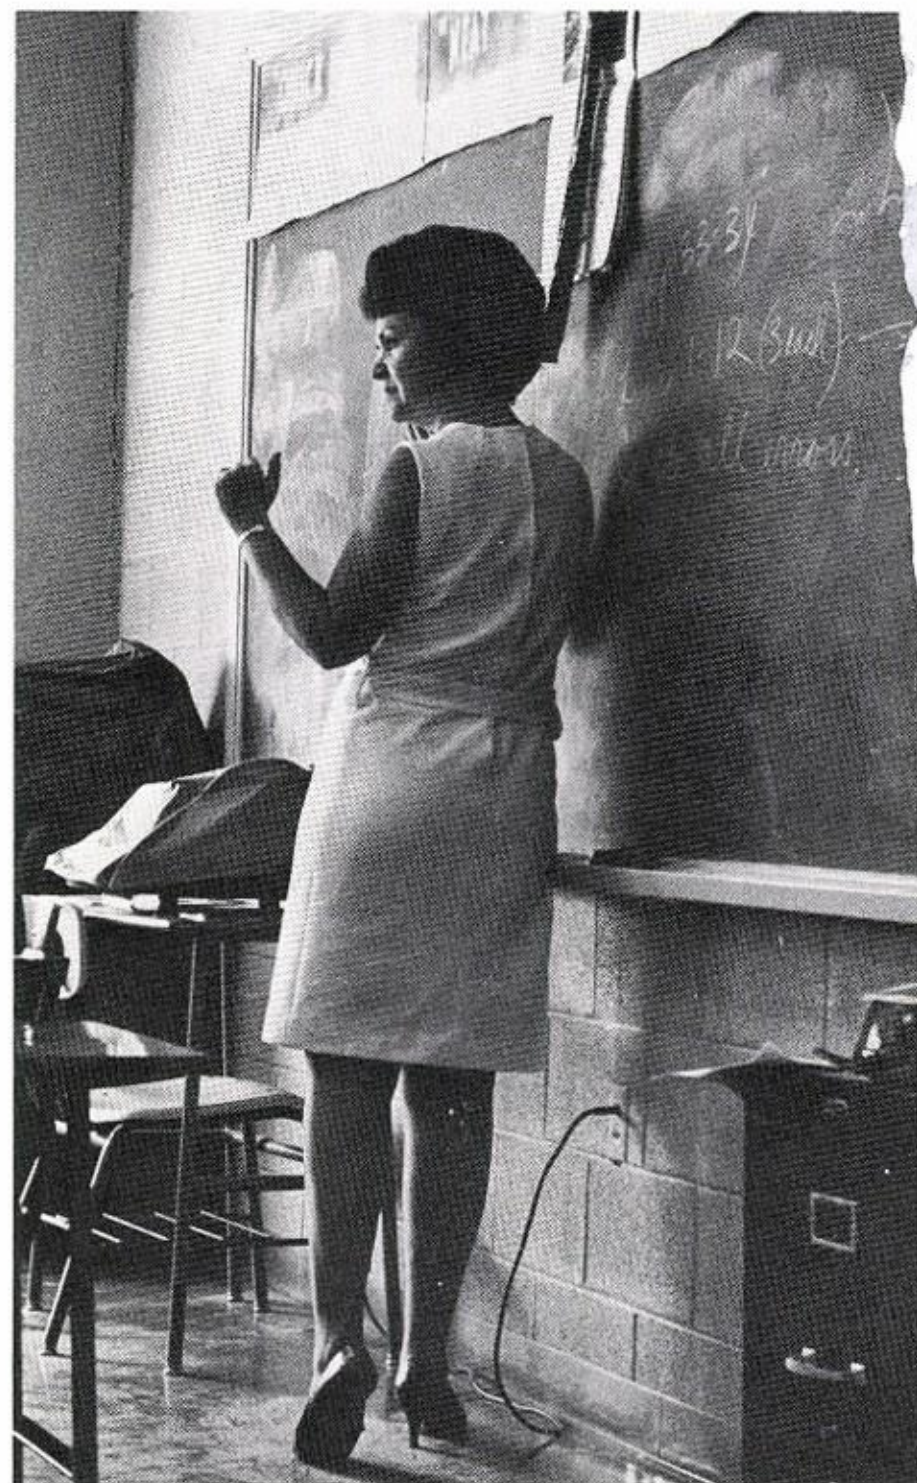

Belton High School is in a state of constant acceleration by daily showing tribute to our country by the raising of the flag, a symbol of our pride in freedom and democracy. This along with friendship, pride, good naturedness, and a smile are seen everywhere you turn at B.H.S. Senior pride is shown in buying their last annuals and senior portraits. Their senior year will be the end of their high school education, but their pride in B.H.S. will not let it be the end of their high school memories.

The efforts of the Lair staff and Tiger staff produce lasting memories in the minds of all B.H.S. students.

Superintendent

Mr. N. L. Douglas

Mr. Douglas is the general overseer of the Belton schools' business administration. He acts as chief personnel manager of the Belton school district, hiring the faculty which he thinks will best serve the students. He organizes the school system's public relations programs and works with the school board developing and maintaining a positive educational program designed to meet the needs of the community.

SECRETARY

Mrs. Dorothy Langston

Our Principal Royce Boren

Mr. Boren is a very important part of Belton High School. He renders many services to our school and sees that it is run appropriately. He does much to uphold the spirit in Belton High School in student activities as well as in sports. By greatly involving himself in the welfare of our school, he involves every faculty member and student in the making of a better school.

ABOVE: The library is greatly used in Belton High School. It is used for study, or if one just wants to sit down and read a book or magazines and newspapers, the library has a wide variety. TO THE LEFT: The library is also greatly used in the English department, especially for term themes. Writing a term theme is an annual project for every student. A student must hand in and pass a term theme in order to pass English. The sophomores write on the subject of their choice; the juniors, American literature; and the seniors, English literature. Pictured is Mrs. Cowans first junior class working on junior themes.

To the right; One of the main ways in solving a geometry problem is through a "proof". To solve a "proof", facts are given, and a statement is to be proved from these facts, rules, and theorems previously learned. One of the most useful visual aids in a geometry class is the blackboard. Pictured at the board are Gary Ratliff and Nancy Briscoe.

Homecoming '70

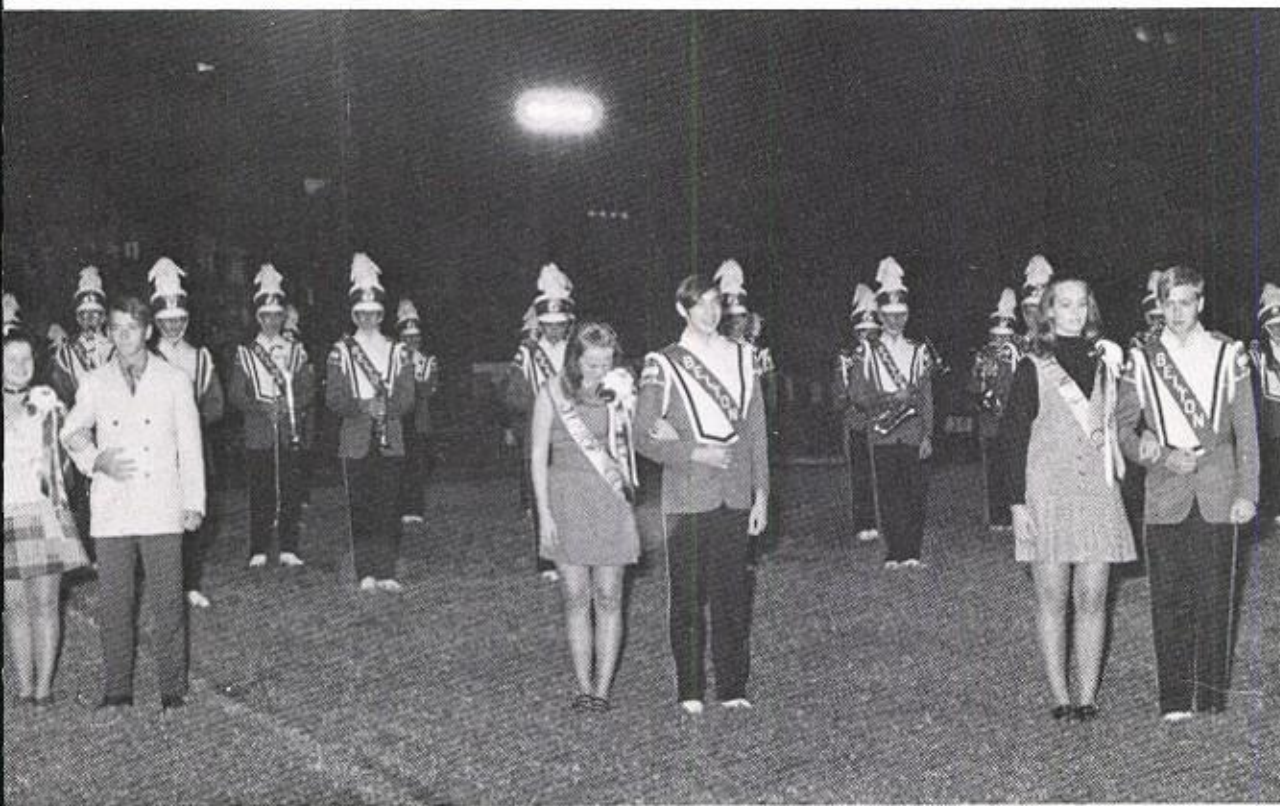

Jay Taggart, Shirley Hughes, and Laura Clements are pictured among other homecoming Tiger band members.

SUSIE WALLACE, Homecoming Queen of 1970, was presented roses at halftime of the Belton-Del Valle game. She is shown at right with her father, Kenneth Wallace, who was her escort. Susie as head cheerleader and a member of the band is also secretary of the senior class and is Football Sweetheart.

The other two finalists, also seniors, were CINDY COPPIN escorted by her father, Jimmy C. Coppin, and ROBYN EVANS escorted by her father, Moody Evans.

The three nominees from the junior class were Donna Bird escorted by Mike Ousey, Lisa Stamps escorted by Jim Janeway, and Susan Thornton escorted by Jim Shropshire.

The three nominees from the sophomore class were Tammy Sanders escorted by Randy Castello, Paula Tulloch escorted by Keith Tanner, and Cathy Petty escorted by Larry Baker.

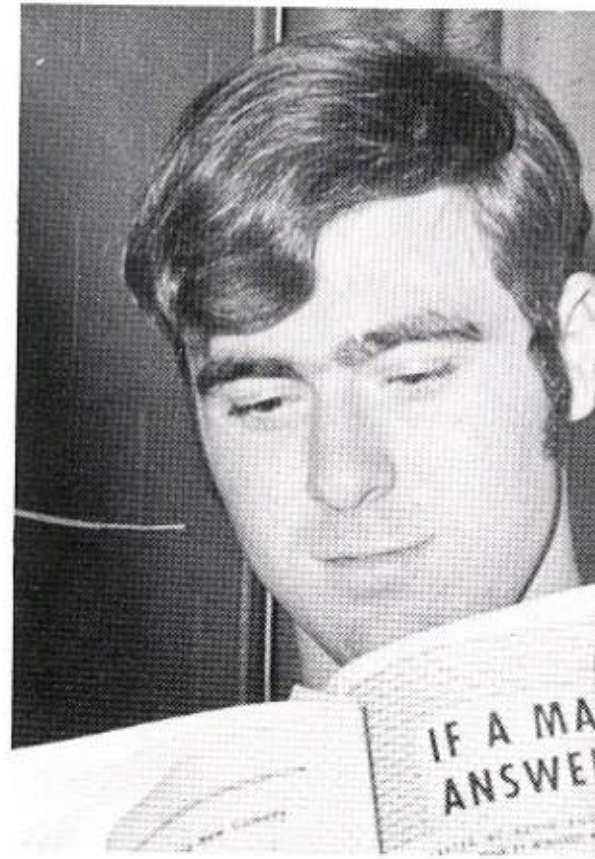

Pictured above are former band members being lead by former twirlers: Mimi Amato, Brenda Stovall, and Pam Cowan.

The Senior Play

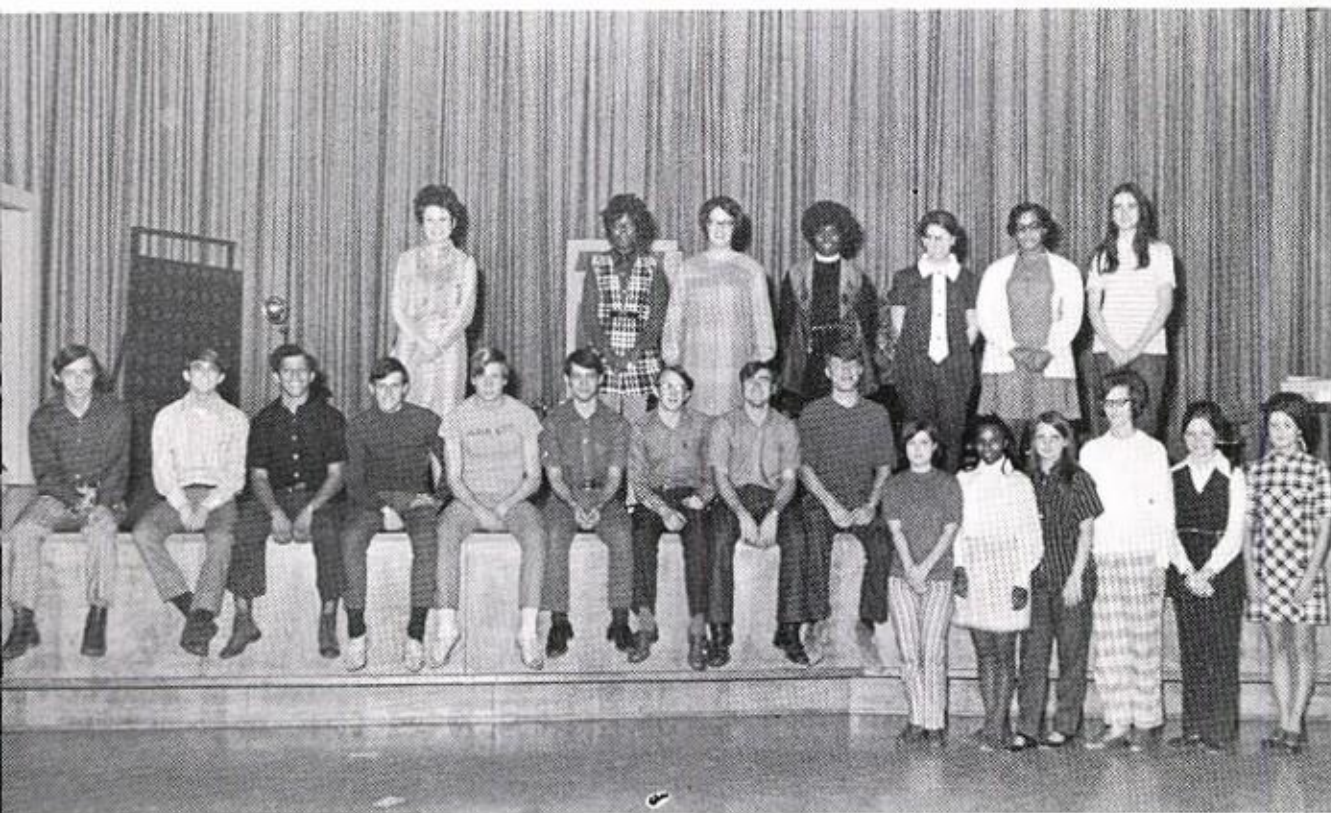

Much time spent in rehearsal led to a superb performance by the seniors in their presentation, "If A Man Answers". The plot had several entanglements that worked themselves out beautifully.

The acting cast and their part are pictured left to right: Steve Wilson, John Stacey; Linda Long, Germaine Stacey; Sheila Kelton, Miss Kaye; Linnell Beschal, Belladonna; Janna Pechal, Library Goer; Carol Roen, Salome; Tom Heard, Mr. Chadwick; Janis Oujedzsky, Flower Shop Clerk; Vernon Claburn, Party Goer; Laurie Womble, Library Goer; Robyn Evans, Tina Brooks; Chris Cummins, Gene Wright; Trisha Hale, Conchita; Bill Tanner, Strange Man; Cindy Jones, Europa; Paul Wilhite, Party Goer; Pam Maddux, Chantal Stacey; Bucky Couch, Party Goer.

Pictured below left is the scene in which Gene Wright receives his first black eye from Chantal after she misunderstands his invitation to model. Below right is pictured Mrs. Judy Heartfield assisting Charles Clements, a member of the stage crew.

If A Man Answers

Production Crew

Top row: Mrs. Heartfield, Pearl Parker, Frances Wilson, Marlyn Powers, Dianne Hicks, Lizzie Griffin, and Susie Evans. Front row: Clayton Jessen, Vernon Claburn, Billy Smitha, Jeff Ludwick, Charles Clements, Sammy Cantrell, Danny Waddill, Steve Boyd, James Willingham, Cindy Coleman, Pam Kitchens, Kathy Trull, Barbara Whitis, Judy Horton, and Denise Rhoads.

The action shots below portray the hard work of the actors and the special personnel.

Play practices are not all hard work. Some of them have funny moments like the evening Steve Boyd put a stocking over his head and scared Mrs. Heartfield, or Billy Smitha running around in his banana boat outfit, and the attempt by some to box a live cat rather than the china dog.

Student Council

The student council plays an important roll in the school's activities. The members help boost school spirit, raise the flag each morning, and keep the trophy case up-to-date and in order. The student council also sponsors slave day, a talent show, a dance in the spring, the senior play, and provides a sign for the football field.

The spirit of BHS was kept alive by the contests for the spirit stick. Door decorations and yelling were the methods the homerooms used to win.

During basketball season the student council provided individual score cards for each game.

Newly Elected Student Council Initiates Campus Activities For 70-71

The Bolton High School Student Council for the year 1970-71 has already started full speed ahead! The Council has many plans and projects to carry out.

The Council has held several meetings so far. At the first meeting, the members elected their officers. The officers are: President, Randy Davis; Vice President, John Smith; Secretary, Mary Jones; Treasurer, Bob White; and Public Relations, Sue Green.

The Council has also held a meeting to discuss the school's activities for the year. They decided to hold a pep assembly, a homecoming dance, and a spirit week.

The pep assembly will be held on Friday, October 24th. The homecoming dance will be held on Saturday, October 25th. Spirit week will be held from October 26th to October 31st.

The Council is excited about the year ahead and hopes to have a successful one.

Spirit on the Rise Due to Contests

This year spirit at BHS has really been boosted by several contests. Most everyone is really enthusiastic this year in helping to make these contests a winning season. The pep squad, cheerleaders, and teachers are among the most spirit boosters.

For the pep squad, the homecoming spirit was especially great. In addition to the regular pep assemblies, each homecoming was decorated by the members. At the pep rally on Friday, the homecoming band, decorated was the winner of a spirit stick awarded by the cheerleaders. Mrs. Jones' homeroom was honored with this prize.

Another spirit stick was also awarded to the homeroom with the most spirit. Mrs. Richards' homeroom was the rightful winner in this spirit stick.

One of the biggest highlights of the week was the spirit splash held at 11:30 on Sept. 24. This was quite an exciting event. See-

CINDY COPPIN, DIANNE LOCKLEAR, and HUBERT WHITFIELD attended annual workshop this summer at San Angelo State College. The workshop was very rewarding because those attending have aided the staff greatly in developing new ideas for the LAIR.

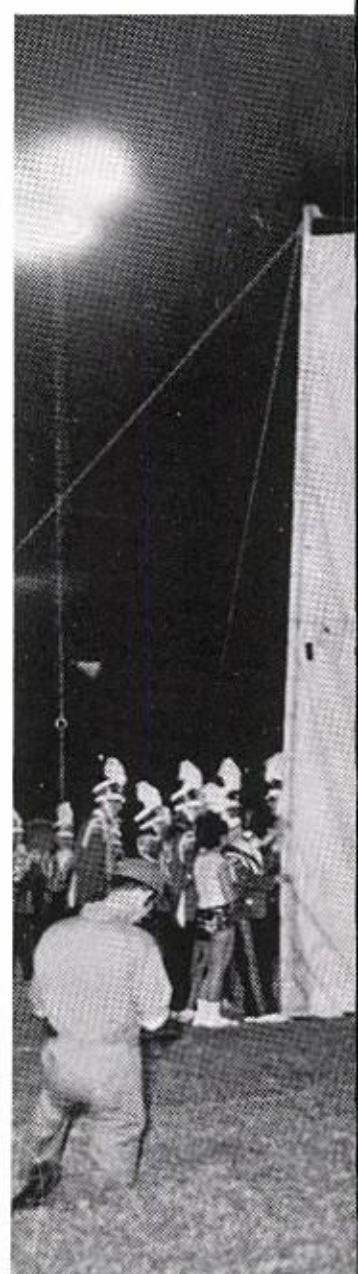

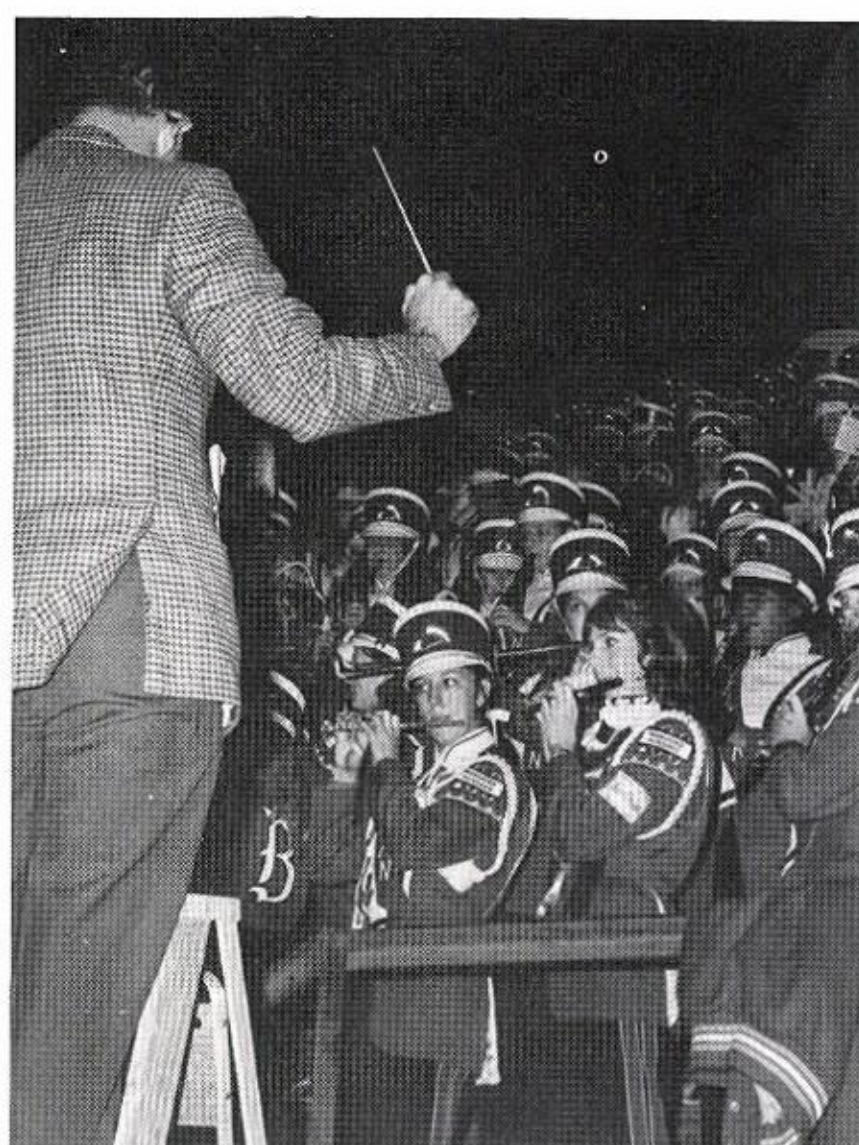

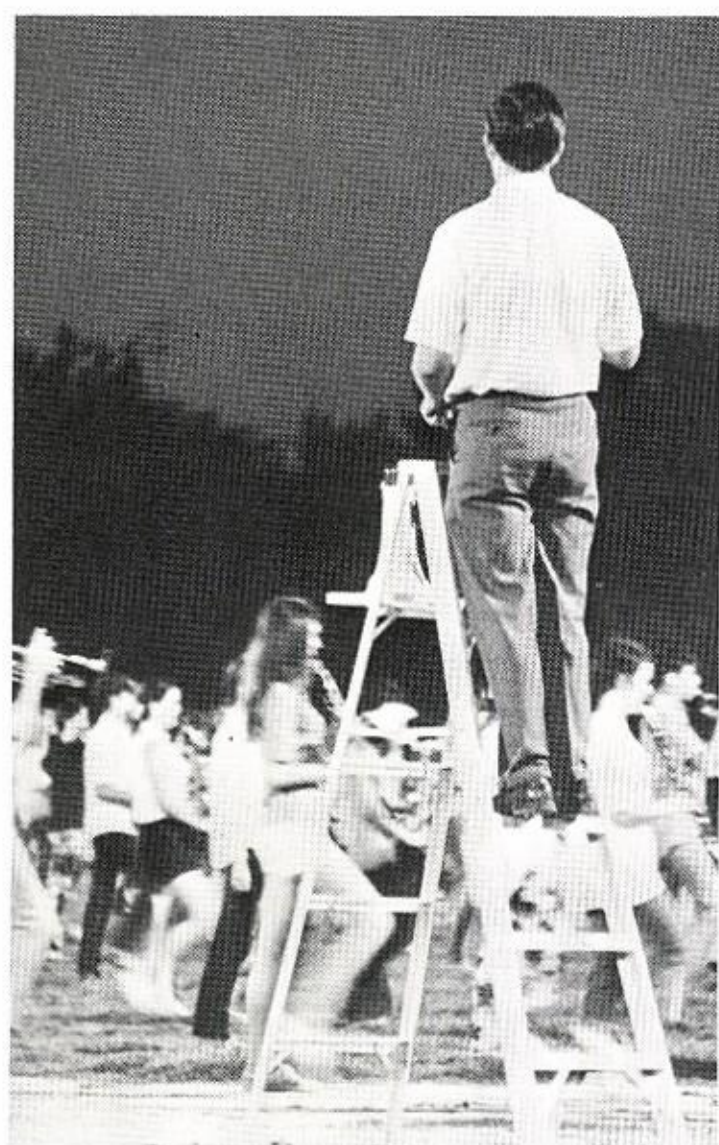

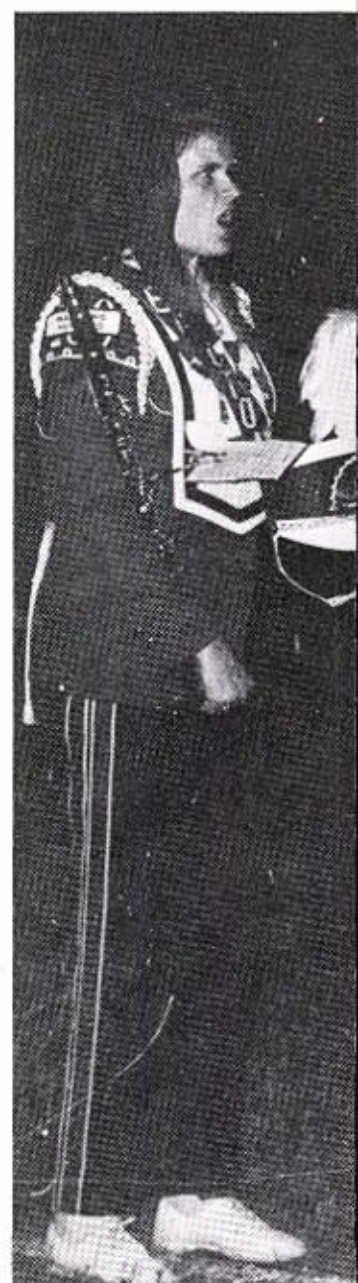

The staff held its banquet at the El Cha Cho restaurant in Temple and pictures were made.

The Marching 100 Band

The Marching 100 band under the direction of Mr. Crain has reached an all-time high of more than 160 enrolled.

This band performed in the stands at all varsity games and presented half-time shows at all the district games and at two preseason games. The old tradition of the big sign has been joined by a new one of lights-out performances at half time. A major half-time performance of the year was the presentation of CINDY COPPIN as band sweetheart. The highlight of marching season was receiving three ones at marching contest.

Volunteer pep bands cheered the "B" team to victory on Thursday nights. These bands were carried over for basketball season.

The versatile Big Red band performs as a concert band following football season, and always enters the concert and sight-reading contest in the spring.

Each Friday, the seven BHS twirlers performed to numbers played by the band at pep rallies and in the stands at the games. They also led the Big Red Band in performing at half-time.

The half-time performances were greatly enhanced by the precision and beauty of their routines.

During lights-out shows the majorettes twirled with fire-batons, creating fiery patterns of beauty. At the Copperas Cove game CINDY and LINDA twirled with hook knives.

In 1970 the twirlers attended a summer camp. They performed two ensembles which earned them two ones. There were also individual performances given by the twirlers at various camps.

SPORTS

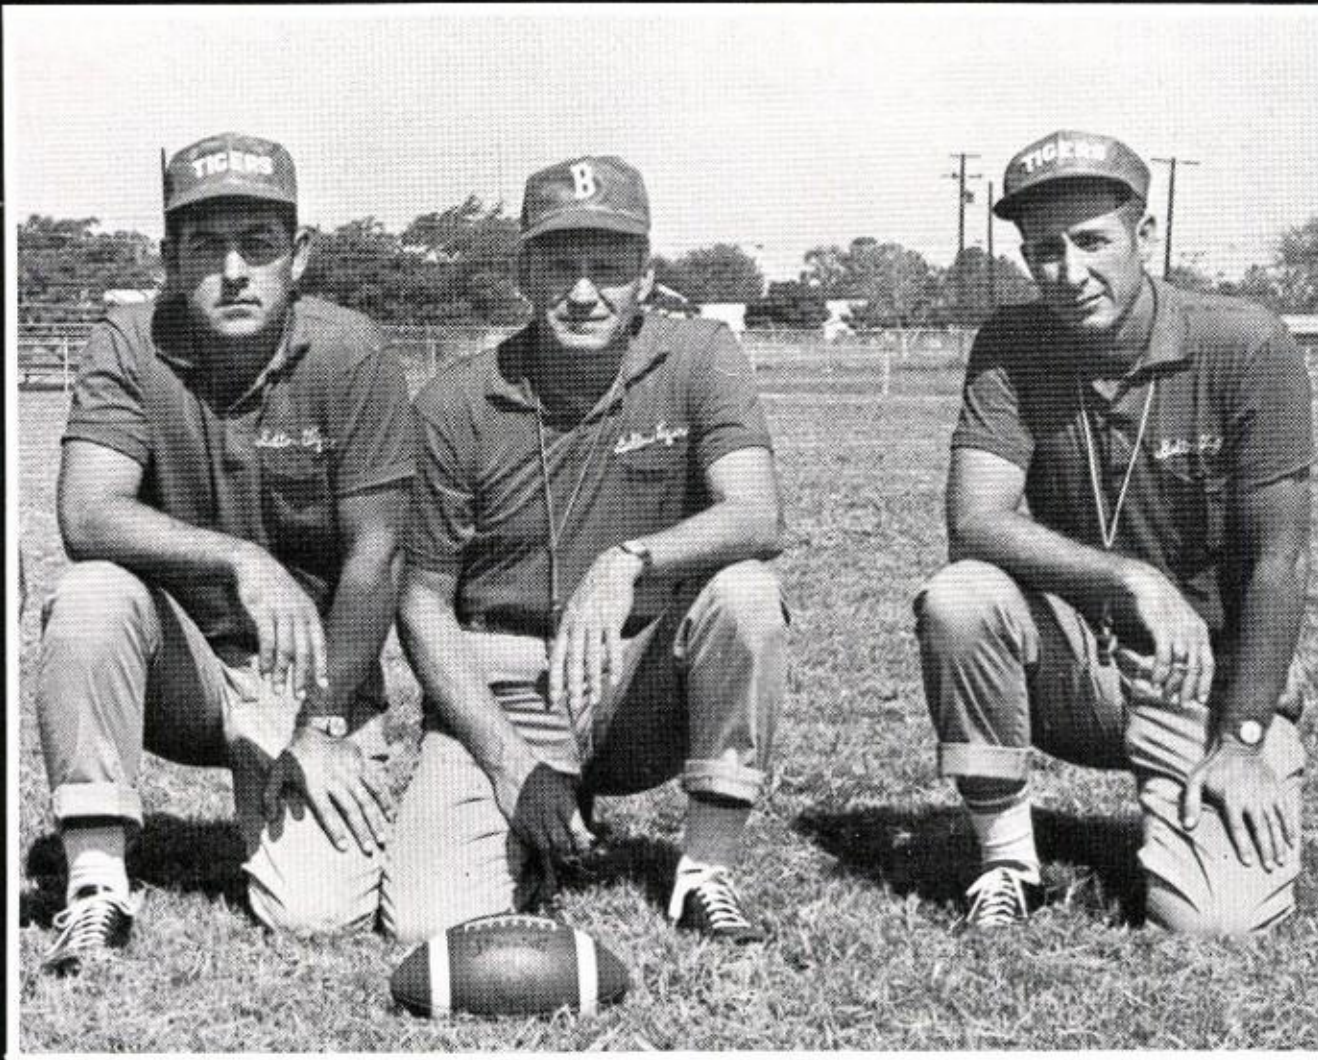

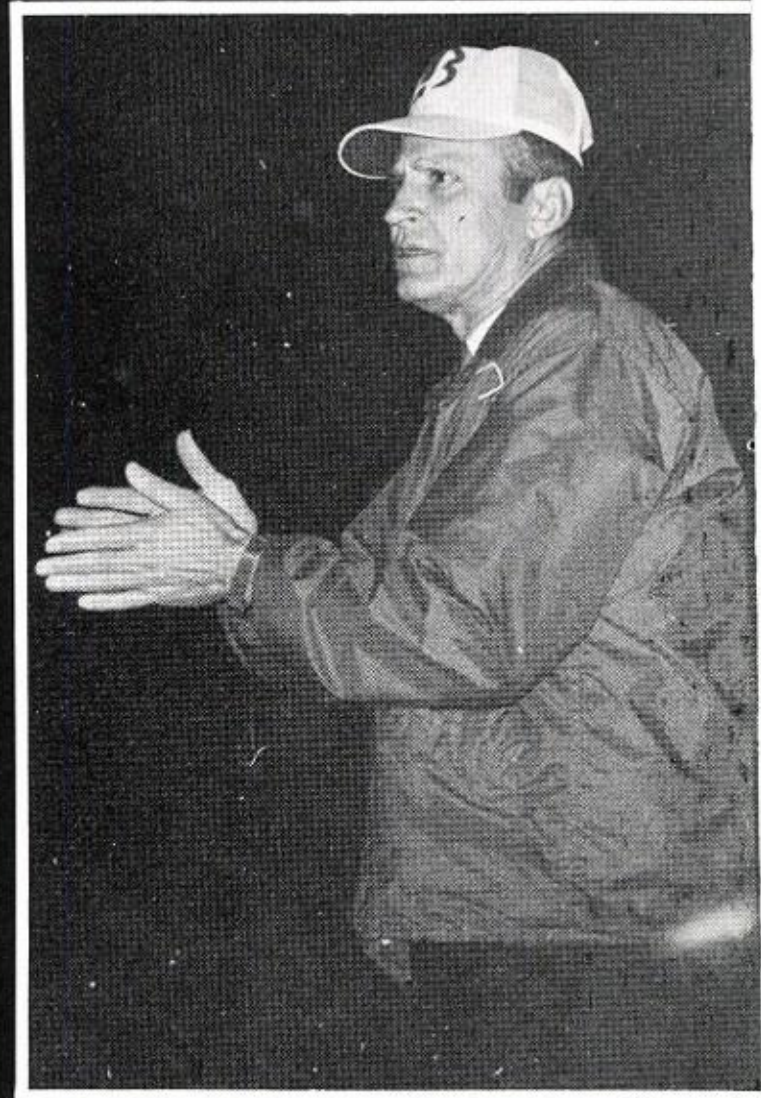

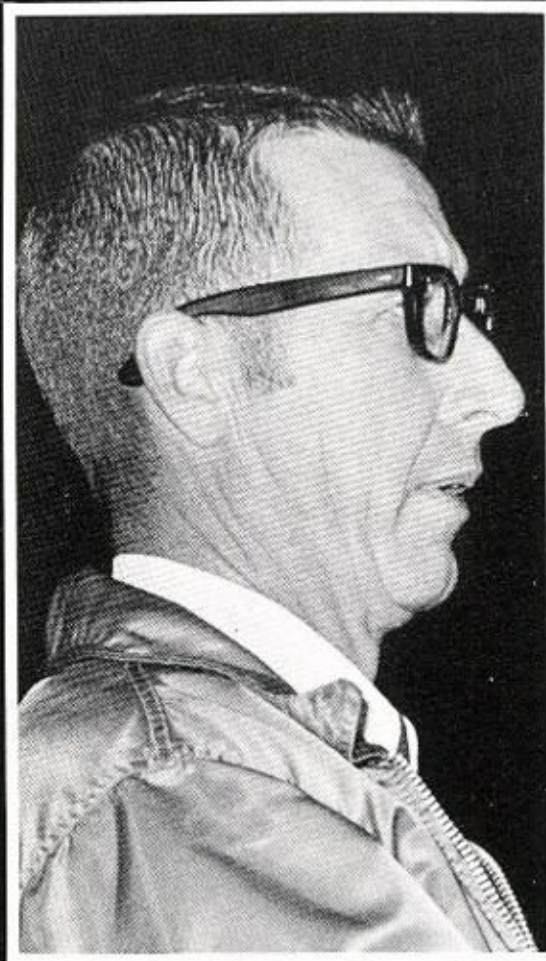

Big Red Coaches

For the past four years Coach Jack Meredith has been an asset to the Athletic Department as head coach and Athletic Director.

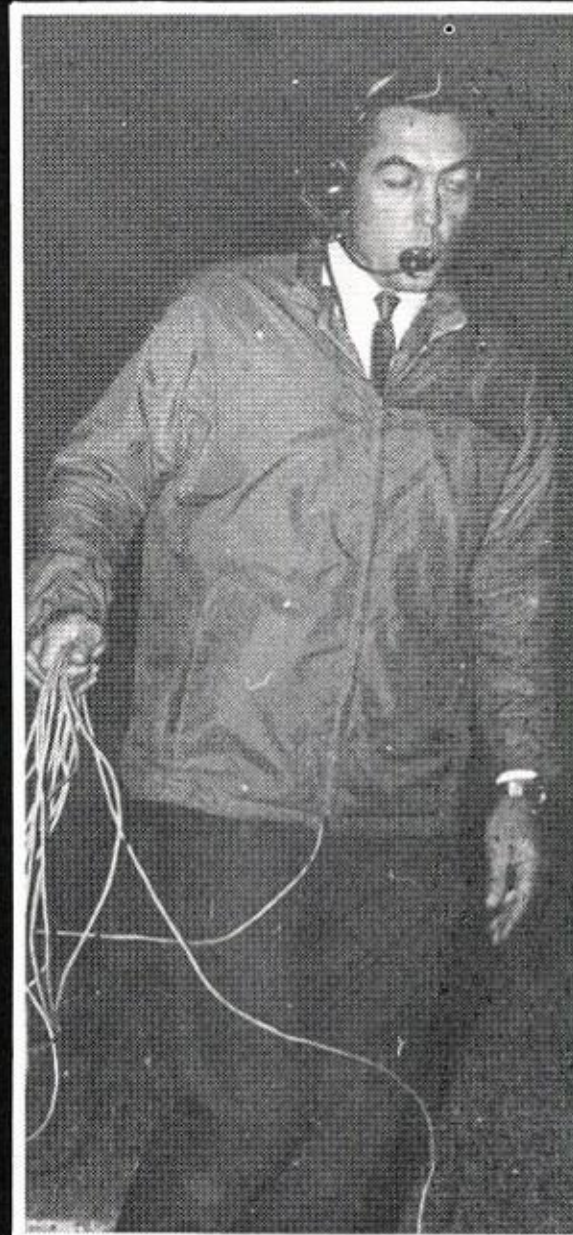

The coach with the headphones is none other than Joe Brooks. Under his tutelage, Coach Brooks has developed nine all-district backfield stars, two of whom made all-state. He also handles the "Dread Red" track program which placed fifth in state.

Coach J. A. Williams is the offensive and defensive line coach. For four years his lines have been the toughest and proudest Tiger lines. Coach Williams is noted for his unusual manner of getting his point across. At the football banquet he was awarded a "Heisting Award" by the players.

HEAD COACH
JACK MEREDITH

Joe Brooks, J. A. Williams, and Jack Meredith are the varsity coaches for the 1970 football season. The coaches began working with the players two weeks before school started. They spent many long hours working with players and molding them into a team.

For the flag of our dear old high school win
The colors of Red and White.

Before each game, the Tiger Captains go to the middle of the field to shake hands with the captains of the opposing teams. Shown are the Big Red Captains shaking hands with the Lampasas captains.

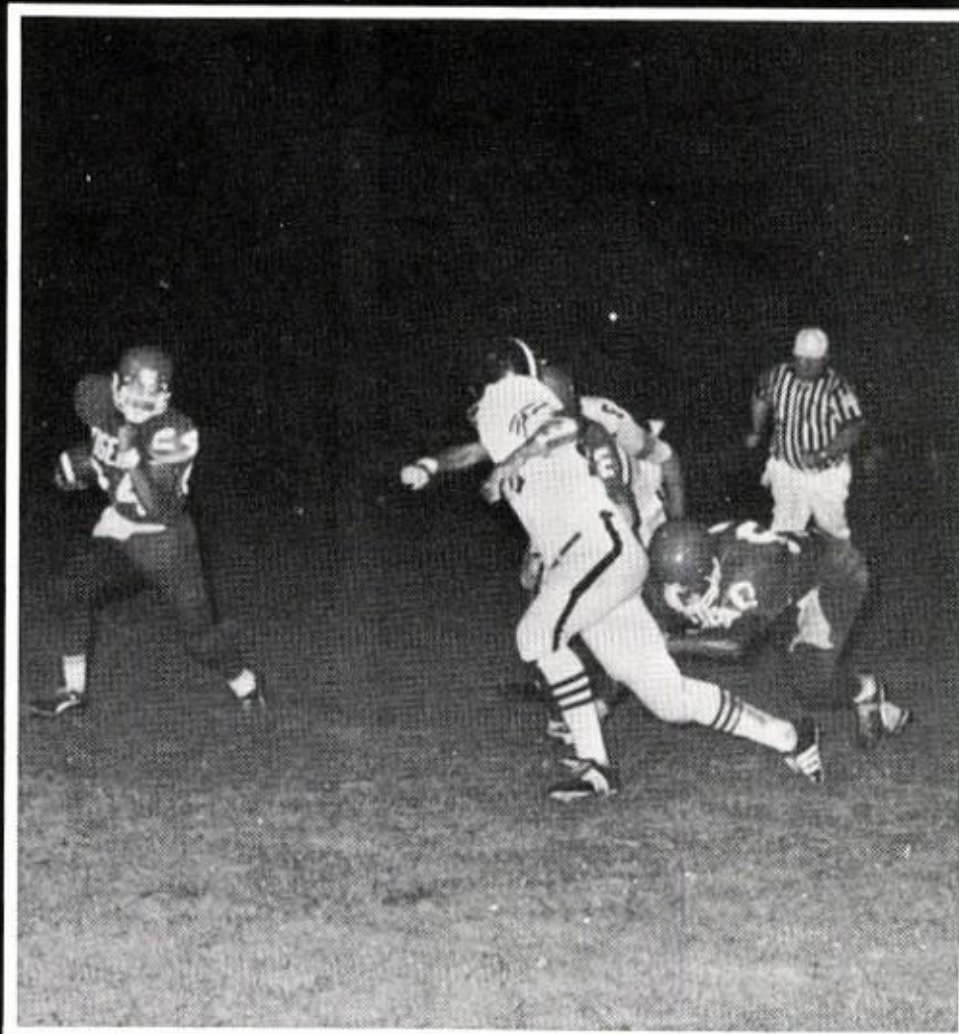

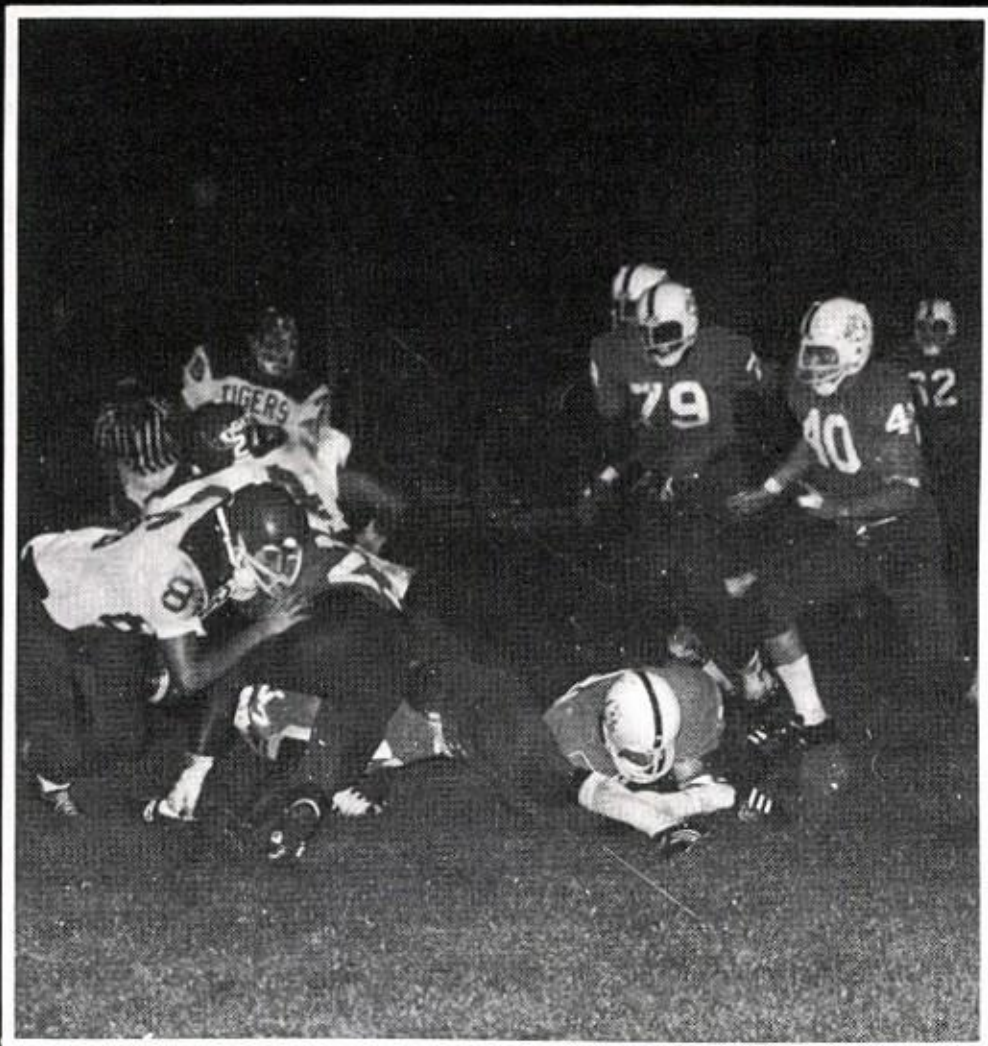

Belton Vs. Hearne 23-6

Unveiling the passing combination of quarterback Joe Bohlin to split end Warren Isaac, the 1970 edition of the Belton Tigers came from an early deficit to humble the Hearne Eagles 23-6. In their opening game victory the Redmen amassed 265 yards on the ground and 83 yards through the airways, while surrendering into their own side of the fifty yard line only three times.

Belton Vs. Dallas Bishop Lynch 6-6

Stirred on by their initial triumph, the Tigers returned to Belton and hosted the highly heralded Friars of Bishop Lynch. Not until 4:34 remained in the encounter did the Big Red defense, lead by tackles Jack White and Chris Cummins, yield. With the extra point try just wide to the left, the aftermath of the intense hitting contest was a 6-6 deadlock.

Belton Vs. Marlin 38-6

A 38-6 romp over the Marlin Bulldogs successfully completed predistrict action for the Redmen. All-state fullback; David "Bull" Bartek, broke loose for 179 yards and bolted five times into the opposing end zone behind trenchmen Billy Miller, Marty Carroll, Donnie Gallaway, and Bucky Couch. Meanwhile the dread Red defense maintained its six point per game relinquishment upon entering district competition.

Belton Vs. Taylor 12-10

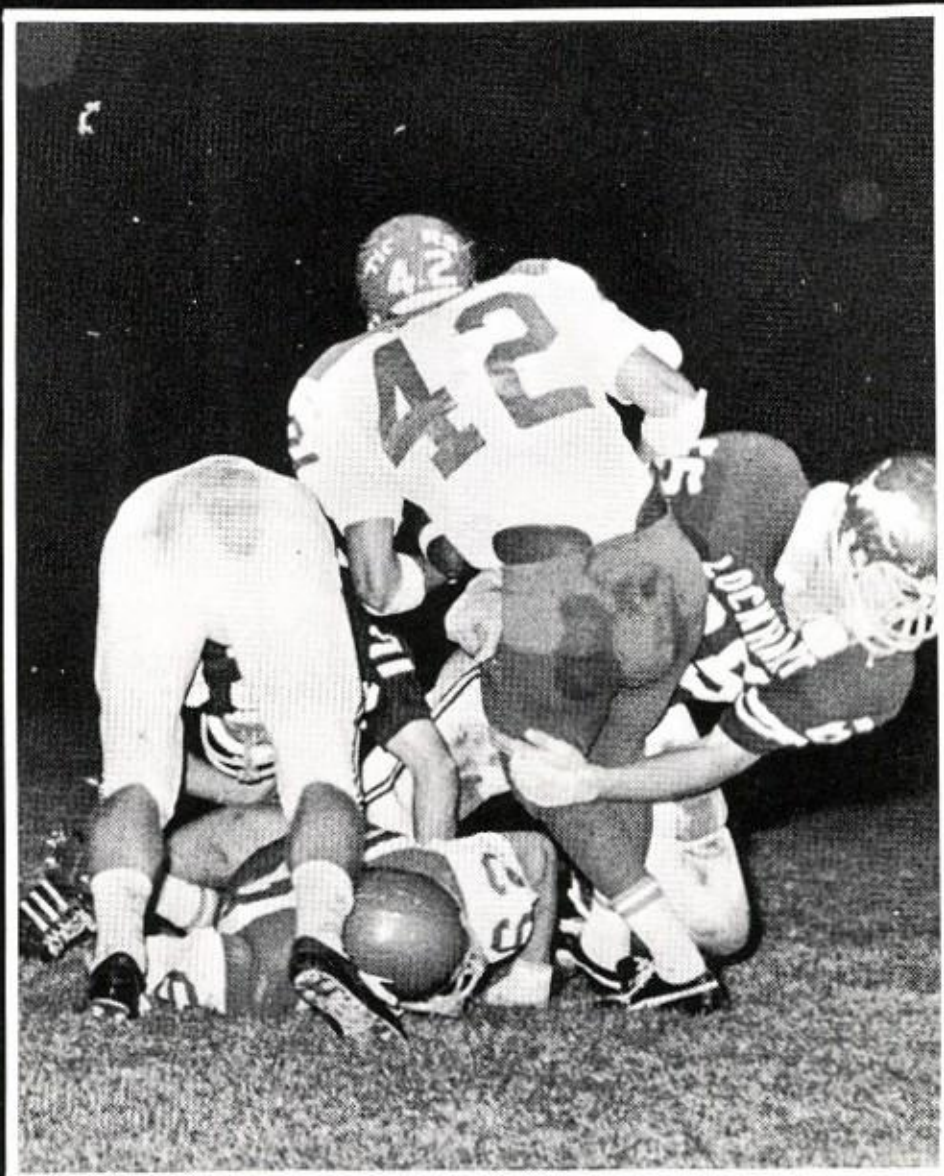

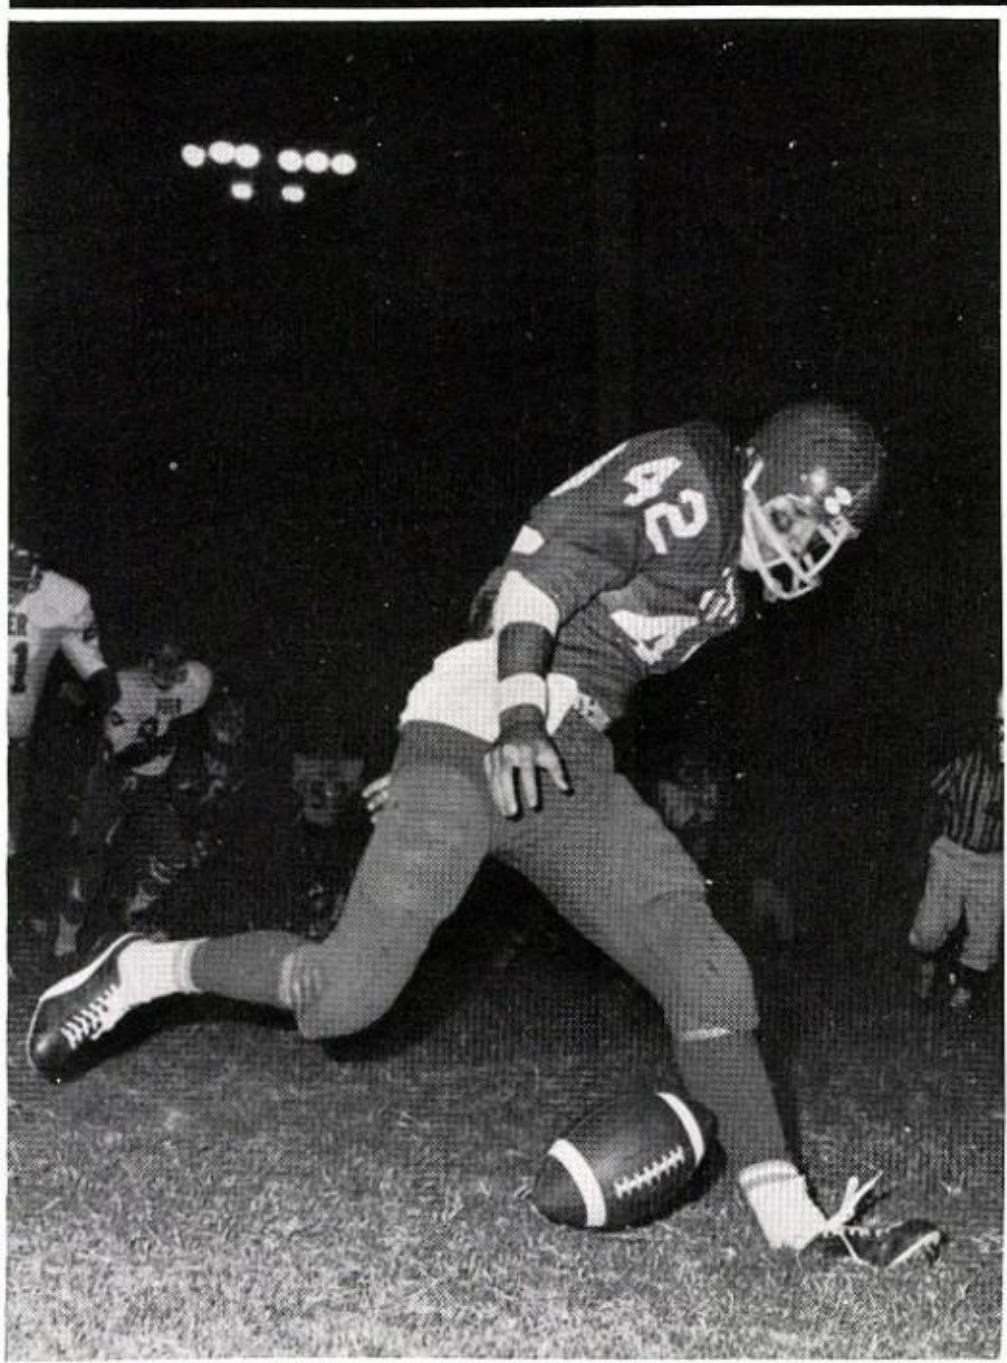

With only 4:35 left in 13-AAA dilemma number one, the Red and White methodically prowled 49 yards to paydirt, and thus thwarted an inspired upset effort by the Taylor Ducks. Mentally tense and wary of possible defeat, the Tigers nevertheless came through 12-10 to feast on roast duck.

Belton Vs. Rockdale 26-6

Aerial thieves Larry Wilson, Harry Wilson, Charley Rogers, and Carlos Stewart each nabbed one interception sparking their Tiger teammates to a 26-6 rampage over arch rival Rockdale. Linebackers Cliff Collier, Billy Blair, and David Bartek harassed the Big Blue offense, while Larry Wilson blazed at will for 130 yards on 21 trips enroute to the grudge match in Lockhart.

Belton Vs. Lockhart 17-0

After a scoreless first half, the Tiger Squad dominated a Lockhart team that had given up only two touchdowns all year. While Bill Chaney, Larry Brown, and Jack White inflicted intense pressure on the opposing quarterback, Charlie Rogers intercepted three passes to ignite the Big Red 17-0 triumph. Offensively David Bartek scored all of the big Red points.

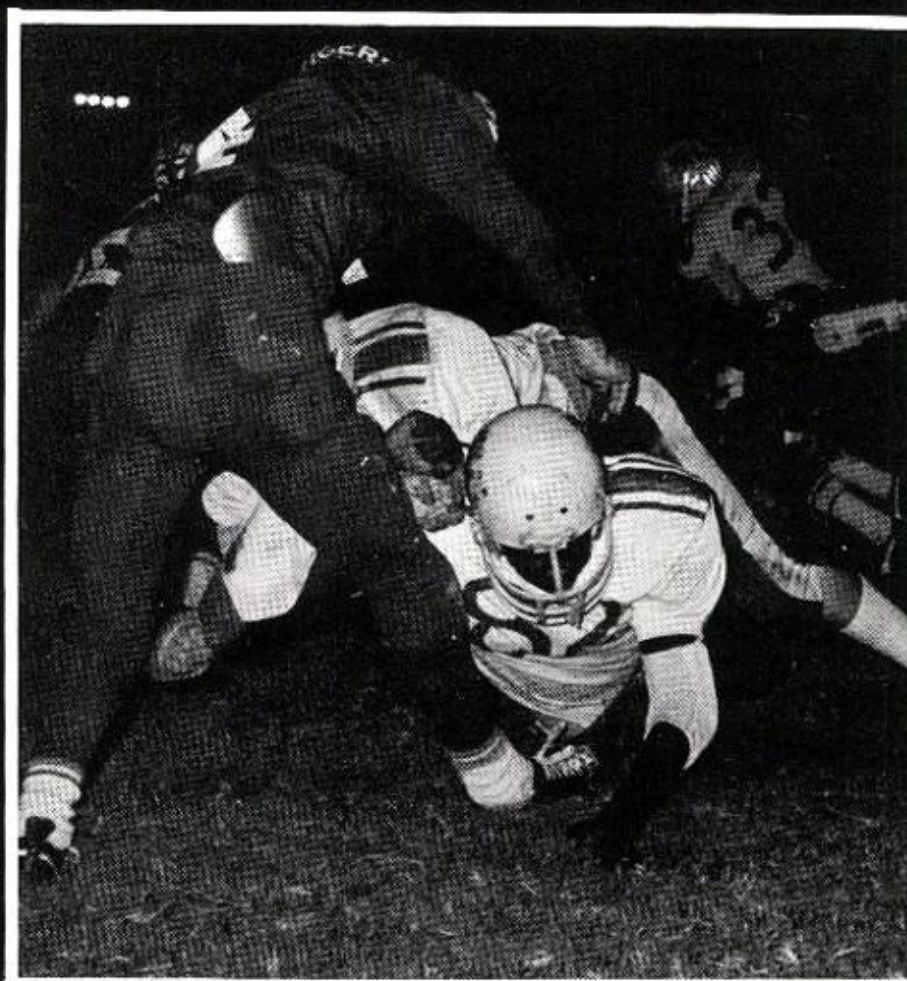

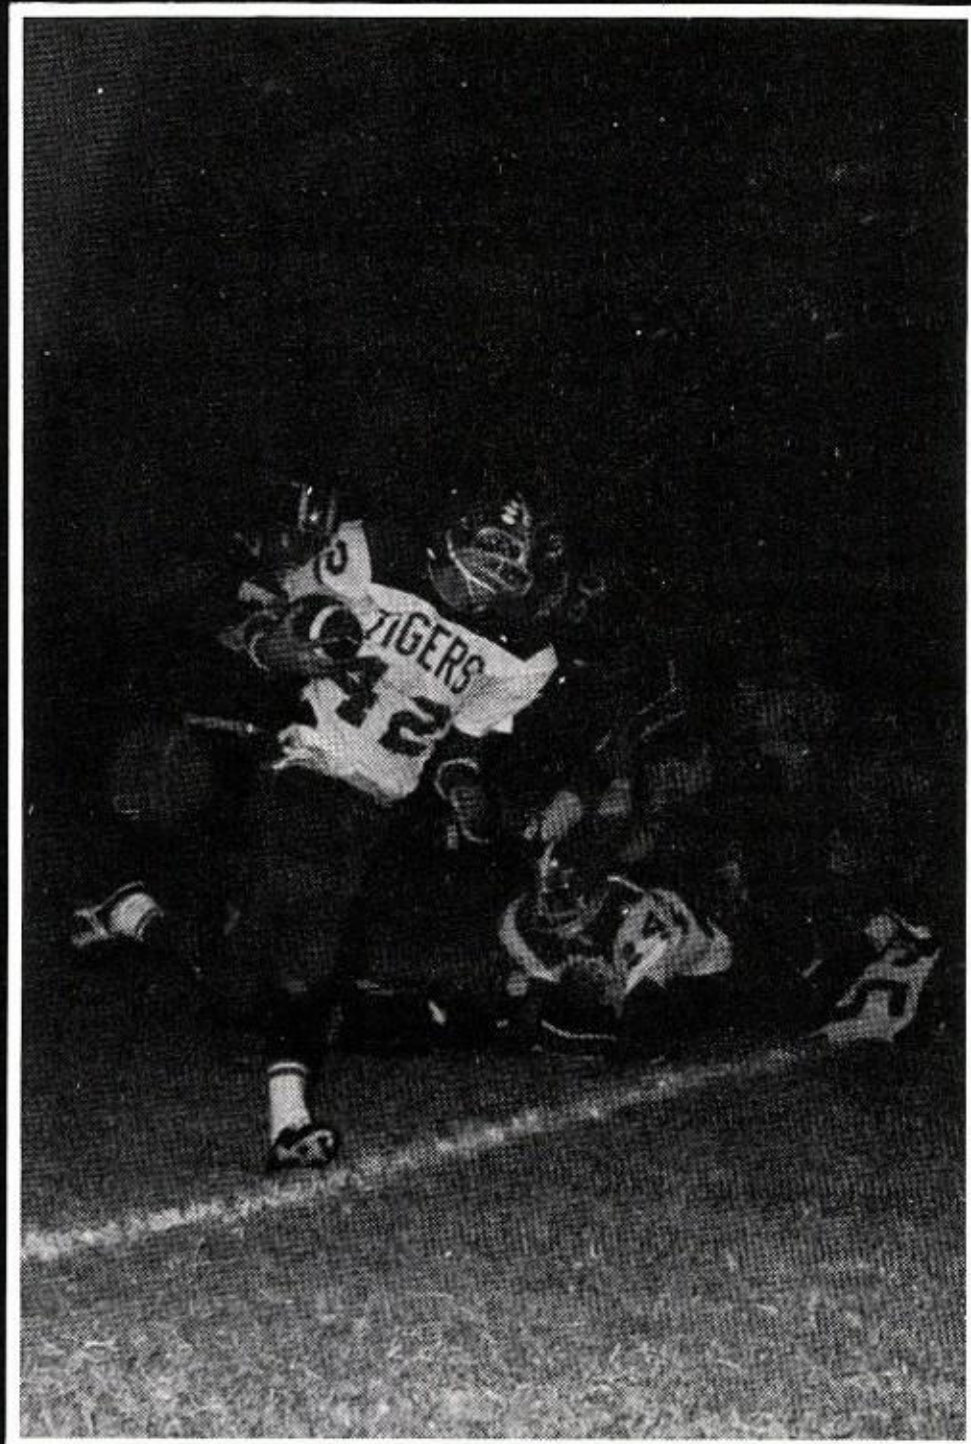

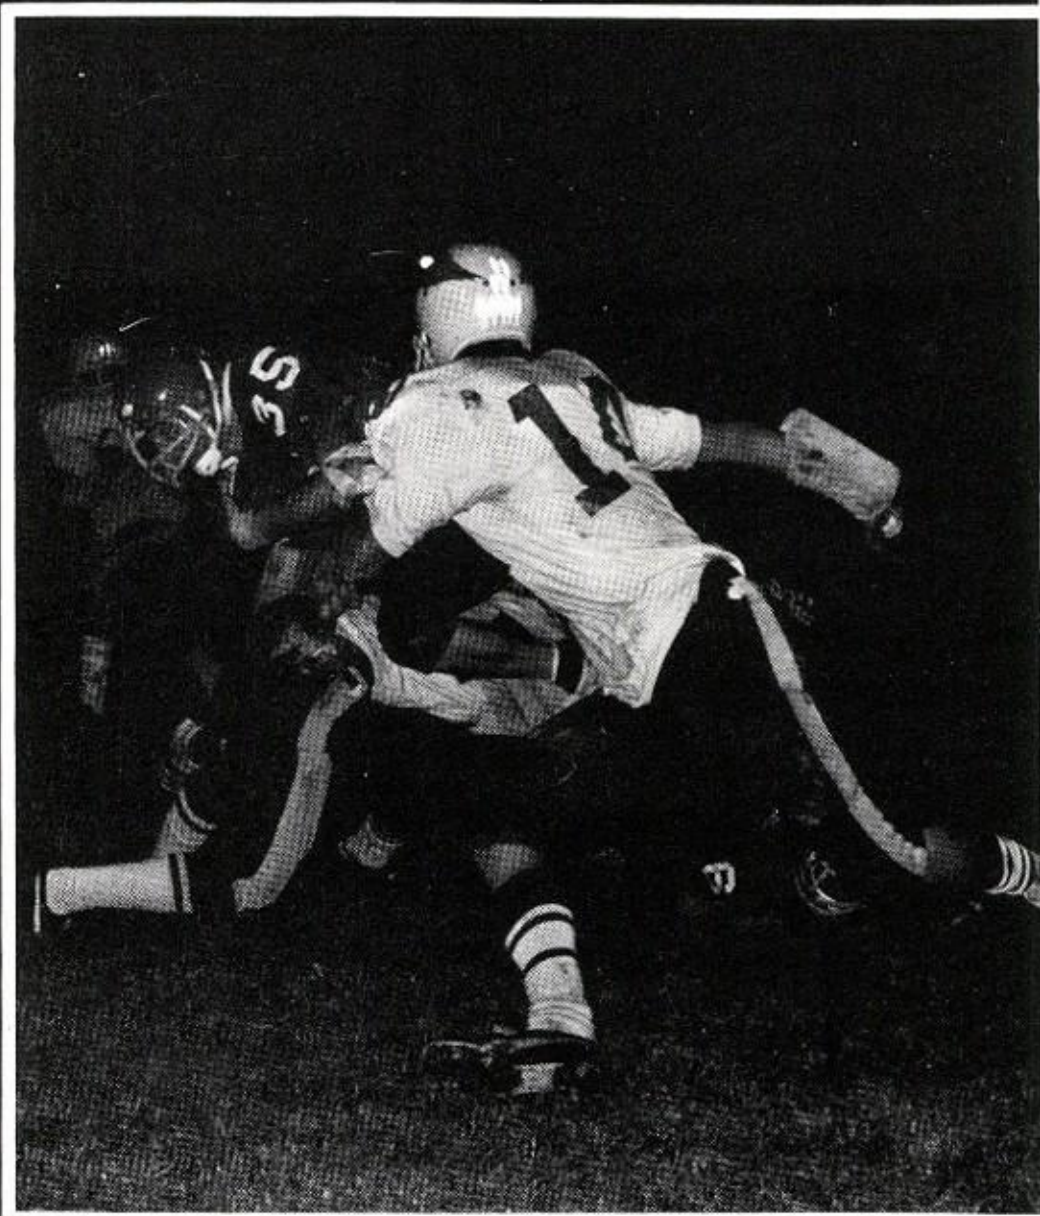

Belton Vs. Del Valle 21-20

On the night before Halloween the home favorites rallied to haunt the Del Valle Cardinals 21-20 in a second half comeback. To gain the homecoming triumph, Big Red went exclusively to their All-State fullback David Bartek, who gained 202 yards in 43 attempts, and kicked the winning point. David Bartek was selected Back of the Week by the AUSTIN AMERICAN STATESMAN for his auspicious three touchdowns and three extra points.

Belton Vs. Gatesville 32-33

As tearful Tiger fans poured from the stands, Gatesville rooters were in ecstasy over the Hornets narrow 33-32 Homecoming victory. Behind 20-10 at the half, the Redmen took the ensuing kickoff to score. Moments later following a Carlos Stewart interception, the Tigers rallied once more to paydirt and took a short lived 24-20 lead. The Hornets, however, struck twice through the air in the waning moments, and then weathered a last gasp Belton effort to unseat the reigning champions.

Belton Vs. Copperas Cove 7-0

Under adverse weather conditions and undermined by the dread Red defense the Copperas Cove Bulldogs fell on Friday the 13, 7-0. Late in the first quarter, Billy Smitha escaped from two defenders over the middle, and engulfed a 27 yard touchdown pass from senior signal caller Joe Bohlin for the Tigers only score.

Belton Vs. Lampasas 29-0

In a fitting tribute to their outstanding careers, 19 graduating seniors closed the curtain on the Lampasas Badgers 29-0. These retiring seniors left a 1970 record at 8-1-1 behind them. Nevertheless the victory was all for naught when Gatesville trounced Taylor to secure the 13-AAA title. To close 28 victories in the last 34 games speaks for itself, and the 1968-1970 Tigers will not be soon forgotten.

Varsity Managers

Top picture: STEVE BOYD, BYRON SINCLAIR, ROBERT TREVINO, and WALLACE LUNA.

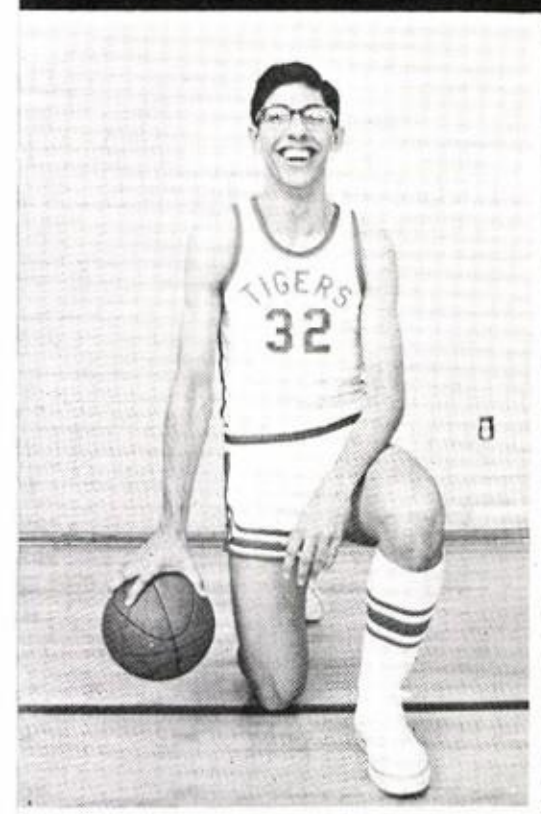

Our varsity managers are an important part of the football team. This group of guys do a lot of work that goes unnoticed by everyone except the players and coaches. The managers make sure the uniforms are washed. They gather all the equipment together which the team needs. They also help tape up the injuries and other duties such as keeping a supply of oxygen and ice. Robert Trevino is the champion tape cutter.

**If there's
a better way,
we'll
find it.**

Thomas A. Edison, the research genius of his time, found a "better way" of life for the world when he first put electricity to use. Later, research by the electric industry and companies like Texas Power & Light Company created hundreds of new conveniences for home, industry and farm. And the future seems limitless. TP&L, in cooperation with other

electric utilities, universities and the electric industry, has carried on a number of research programs spanning a wide variety of fields — from exploring the possibilities of converting heat and chemical energy directly into electricity, to developing a vastly improved design for electric water heaters and taking a part in nuclear study, research and development programs. If there's a better way, we'll find it!
